

## Sapperton and Frampton Mansell Parish Council ACM 2019

**Love, Honour, Trust**

As always, this has been a busy and varied year in school. We have gone up to 74 pupils on roll with 4 classes.

The autumn term started well with the school being top of the KS2 SATs league tables for Gloucestershire and 33rd in the country. We then had an Ofsted inspection which judged us 'Good' and complemented the school for our broad and rich curriculum as well as high standards. This year the children have been going on regular 'Darwin walks' taking the same route around part of the village to observe the changes in nature through the seasons. They have been recording their observations in a diary with writing, drawings, poems and photos.

As usual, there has been plenty of sport going on through the year - 17 different kinds so far. In many of these we compete against other schools, the most recent being archery where we won our regional tournament; we hope our score is enough for us to qualify for the County finals in June. Last year we were Bronze medallists.

This is my last report as I am retiring at the end of the school year - Mr Matt Blacker will be taking over in September.

May I take this opportunity to thank you for all of the support you have given the school over the 23 years I have been Headteacher and hope you will continue with my successor.

Dawn Thomas  
Headteacher.
