8.	SAPPERTON VILLAGE HALL Following unsuccessful funding applications, the situation is now critical and the only option to keep the Village Hall open is to cover the hall roof in Marshfield Tiles, a "replica" version of the original Cotswold Stone tiles. A planning application will be made to GCC and the Trustees have asked for the support of the Parish Council for what will be a contentious issue. The PC is fully supportive of the application and very much wants it to be successful. The Hall is very important to the whole community and the PC will be in support of the application when it is submitted.
